Reminder of EFP and EFS Submission

---

The Dubai Mercantile Exchange (DME) wishes to remind its Members and Guaranteed Customers of the process for Exchange for Physical (EFP) and Exchange for Swap (EFS) submission to the DME for Clearing.

The DME will accept EFP and EFS transactions in standard contract units for all three of its futures contracts listed on the Exchange. The means through which a company may submit EPSs and EFSs will be through NYMEX Clearport Clearing® Platform. Per rule 10.13 of the DME Rulebook, EFPs and EFSs for the Oman Crude Oil Futures Contract must be posted before 23.00 (Singapore time) on the day during which the last Trading Day in the Contract Month ends.

In order to submit an EFP or EFS, the customer must first register with NYMEX and complete the Exchange User Registration Form which can be found at:

[http://www.nymex.com/global\\_regist.aspx](http://www.nymex.com/global_regist.aspx)

Upon completing the registration, all customers are encouraged to contact their Clearing Members who can perform the appropriate authorizations to enable the customer account.

Any EFPs and EFSs will be governed by rule 6.24 of the DME Rulebook.

Signed
